INTERNATIONAL ECONOMICS, THIRTEENTH EDITION (SIE)

McGraw-Hill Education, 2007. Softcover. Book Condition: New. 5th or later edition. The 13th edition continues to provide the best blend of events and analysis, so that readers can build their abilities to understand global economic developments and to evaluate proposals for changes in economic policies. The book is informed by current events and by the latest in applied international research. I. Like earlier editions, it also places international economics events within a historical framework. The overall treatment continues to be...
