\*\*\*\*\*.Humans have many historical reasons to resort to war,

but that was never our Destiny. We are destined to grow in our

ability to Love, then on into Unconditional Love, and finally

much beyond that. At the present moment, there is an

exponential process of change underway and business as usual

may be permanently a thing of the past. Humans are evolving

into a new species who live in evolving stages of Love, not the

historical stages of Fear. For a short time, however, the two

may compete for dominance and we may be into tumultuous

times. Our genes make us susceptible to an us versus them

mentality that has been used, and also misused, over the ages

to provide supposed safety for our local, tribal and national

groups, often with disastrous results. Our most primitive,

reptilian brain acts as though life is a kill or be killed affair,

while our early mammalian brain is all about small groups

being "All for one and one for all!" This is both a step up and

a...
