BRAND NEW, The Fourth Horseman, Kate Thompson, The first time Laurie and her dad see the white rider watching them from the deep, cool shadows of the trees, he is alone. Is the rider somehow linked to the genetic research into squirrels that Laurie is helping her dad with in the lab? When a second rider with a bloody sword appears alongside the first, and then a third and a fourth, Laurie knows she must try to understand who they are and what they represent. With the help of her brother and his best friend, she discovers what the riders mean but will it be too late to stop the inevitable chain of events that has been set in motion.?
