The mere accomplishment of writing a good style, is the result only of many tedious years of study and self-denial. The beauty of the written character, the finished graces of their composition, the The word embroidery is derived from the French broderie which some deduce by transposition from bordeur, because they formerly only embroidered the borders of their stuns, whence the Latins sometimes called embroiderers limiularii. According to Du Cange, they anciently wrote aurobruslus, for embroidered with gold, or brustus brodatus, whence the French word broderie. t The fine muslins made at Manilla, with threads spun from the pine-apple plant, and afterwards so richly and delicately embroidered with the same material, are well known. excellence of their silk manufactures and embroidery,...
