PREFACE: This book should be valuable in dealing with personality problems. It should help young people to understand themselves, and should be a resource to parents and teachers, and to all others who deal with children and youth. We must teach youth to face calmly the facts, the tasks and difficulties of actual, everyday life and to master them, for it is not a cold abstract theory or a world-forgetting ideal morality which we are called upon to transmit to the new generation. Which means, at the same time, that we must show how one can recognize, understand, and master ones qwn peculiarities, ones own tasks and diffi culties. We must teach the art of growing up. That the practical way of overcoming personality problems is always at the same time also the ethical way may be a fact tremendously important from philosophical and religious points of view. For the present we cannot let it be a determining factor in our psychological problem. Young people are not able, as a rule,...
