This book may be read as a folk-tale carrying a firm religious message. It is interesting from many points of view. Theologically, it has important things to say about one's firmness and steadfast belief in God - internally or externally - their eternal and never-ending search for the basis for this belief, and their willingness to accept the consequences for those beliefs. Socially, it unmasks the underlying and deep-rooted fountains of centuries of prejudices in developing the corpus of western religiosity as we now know it. It is the story of a historical journey of a traveler to observe the ever-changing Shadows in the Halls of Dreams into the innermost Chambers of The Hearts of Humanity. There were diversions on many occasions along his journey. Despite these diversions, he continued his journey while stopping and performing acts of human kindness which allowed him opportunities to witness important historical changes in the evolution of the Christian faith. His diversions were not at all illusionary; rather, they were the vivid underpinning of the human spirit. They were really our own annoyances which accompanied him as he journeyed across the pages of history at the dawn of the new faith. His diversions called attention to the true nature of his passion and unrelenting regard for life which underlined his encounters with overbearing conflicts and decisions he faced during his journey. While searching for material for this book, - although it may be read as folklore, it was no small part of my intention to enable readers to study the theological writings - including those outside the familiar corpus of our religious upbringing. My primary intention was to invite inquiry to...
