

## Sandy: The Sandhill Crane Who Joined Our Family.

---

By Hyde, Dayton O.

Softcover. Book Condition: New. 224 pages. Softcover. New book. NATURE. On a wilderness ranch in southern Oregon nearly a century ago, Dayton Hyde dove into a rushing river to rescue the threatened nest of a sandhill crane. The egg saved from the nest hatched into a bird, and also into an amazing story. "Sandy" the crane grew up in Hyde's household as a member of the family and had to be taught she was really a bird. Hyde served as parent, companion, dietitian, even flight instructor to Sandy, and eventually watched over her mate and fledglings as well. Over the years, he had to learn a lot about sandhills. In return, the cranes taught him quite a bit about what it is to be wild. More than an animal story, Sandy is the true account of an individual who dedicated himself to saving an endangered species. Hyde shares his totally charming, often hilarious stories of Sandy and the other wild pets, showing us how one man's heroic act to save an unhatched egg blossomed into a lifetime of conservation activities. First published over 30 years ago, Sandy contains a message more urgent today as civilization sprawls without regard for wilderness....
