A sensitive young man. A powerful landowner. An epic love that springs up between two men. Set in the post-Napoleonic years of the 1820 s, Standish is a tale of two men - one man discovering his sexuality and the other struggling to overcome his traumatic past. Ambrose Standish, a studious and fragile young man, has dreams of regaining the great house his grandfather lost in a card game. When Rafe Goshawk returns from the continent to claim the estate, their meeting sets them on a path of desire and betrayal which threatens to tear both of their worlds apart. Painting a picture of homosexuality in Georgian England, Standish is a love story of how the decisions of two men affect their journey through Europe and through life.
