Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Simon & Schuster. Paperback. Book Condition: New. Paperback. 464 pages. Dimensions: 8.2in. x 5.4in. x 1.3in. In *Obamas Wars*, Bob Woodward provides the most intimate and sweeping portrait yet of the young president as commander in chief. Drawing on internal memos, classified documents, meeting notes and hundreds of hours of interviews with most of the key players, including the president, Woodward tells the inside story of Obama making the critical decisions on the Afghanistan War, the secret campaign in Pakistan and the worldwide fight against terrorism. At the core of *Obamas Wars* is the unsettled division between the civilian leadership in the White House and the United States military as the president is thwarted in his efforts to craft an exit plan for the Afghanistan War. So what's my option the president asked his war cabinet, seeking alternatives to the Afghanistan commanders request for 40,000 more troops in late 2009. You have essentially given me one option. . . . Its unacceptable. Well, Secretary of Defense Robert Gates finally said, Mr. President, I think we owe you that option. It never came. An untamed Vice President Joe Biden pushes relentlessly to limit the military mission and avoid another Vietnam. The vice president frantically sent half a dozen handwritten memos by secure fax to Obama on the eve of the final troop decision. President Obama ordering a surge of 30,000 troops and pledging to start withdrawing U. S. forces by July 2011 did not end the skirmishing. General David Petraeus, the new Afghanistan commander, thinks time can be added to the clock if he shows progress. I don't think you win this war, Petraeus said privately. This is the kind of fight we're in for the rest of our lives and probably our kids lives. Hovering over this debate is...
