Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Redleaf Press, United States, 2011. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book. Make nature an integral part of your classroom! With rising childhood obesity rates and children's heavy use of electronics, the need for quality time in nature is greater than ever. Put away gadgets, turn off screens, and discover all that the natural world has to offer. Celebrate Nature! is filled with hands-on activities to revive children's connections with nature. Each seasonal section--autumn, winter, spring, and summer--introduces seven themes with countless ways to integrate nature into your classroom. Chapters encourage reflection of your own memories of the seasons and provide activities that address science and discovery, math, blocks and building, language arts, reading, writing, dramatic play, art, and music. Also included are sample letters and suggested at-home activities to support family participation in this important learning.
