When you switch to the vegan diet, you may be worried about whether or not you will still be able to eat your favorite foods. While you might have to make some big changes to your diet, there are plenty of vegan alternatives out there for traditional foods. You can still enjoy things like pancakes, muffins, even omelets for breakfast as well as hearty soups, stews, and entrees - even decadent desserts. The vegan diet is an excellent choice if you are looking for a way to improve your health and vitality with the recipes included in this book, you won't feel like you are making a sacrifice. Thanks to this book, you will be able to create amazingly delicious vegan gluten-free recipes you will get hooked on (it's not only about eating cooked quinoa with some herbs, right? We can make it much more sophisticated) and that will help you transition. You just need a step-by-step plan in form of yummy recipes. What about gluten? Another diet that has recently skyrocketed in popularity is the gluten-free diet. While many people are forced to switch to this diet out of medical necessity resulting from gluten...
