THE THEORY OF NATURAL MONOPOLY

To get **The Theory of Natural Monopoly** eBook, make sure you access the hyperlink below and download the document or gain access to other information which are have conjunction with THE THEORY OF NATURAL MONOPOLY ebook.

Cambridge University Press. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. The theory of natural monopoly has been substantially transformed in previous years. In a clear and straightforward style, Dr. Sharkey gives an integrated presentation of the modern approach to this subject. Although the book is mainly conceptual in nature, the final chapter on natural monopoly in the telecommunications industry shows the practical applications of the theory. After an historical survey of natural monopoly, there follows a chapter stating and explaining the main results as well as giving a preliminary overview of the rest of the book, where concepts such as the subadditivity of costs, optimal pricing, sustainability, and destructive competition are presented. The essence of the subject is presented in a manner accessible to the general reader, though the book also provides a synthesis of the subject suitable for advanced students. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
