Gentle Joyous Industries, United States, 2014. Paperback. Book Condition: New. 2nd. 218 x 144 mm. Language: English . Brand New Book ***** Print on Demand *****.Winner of an Independent Publisher Book Award! One part deeply personal memoir and two parts rip-snorting spiritual adventure, Long Time No See is a powerfully moving, occasionally profane, and often hilarious account of one person's single-minded search for enlightenment. Carrie Triffet's true-life journey takes her from reluctant orthodox Jewish beginnings into a devout twenty-year practice of Nichiren Buddhism. Intending to remain a Buddhist for life, she is wholly unprepared when a profound awakening in 2005 unexpectedly changes everything, leading her insistently into a life beyond religion. Join her on this odyssey that begins in the Midwest and travels to sunny Southern California by way of London, Paris, and the red rocks of Sedona, Arizona. Learn the metaphysical lessons offered by a swanky Vegas hotel room, a past life crime scene, and a ferocious lightning storm at 30,000 feet (among many others), as Carrie relays the messages of universal truth that she is given to share with us all. Contains Carrie's popular synopsis of A Course in Miracles, titled, THE CRASH COURSE.
