John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, An Unprogrammed Life: Adventures of an Incurable Entrepreneur, William Hiroyuki Saito, The extraordinary story of a child prodigy and his remarkable entrepreneurial accomplishments If anyone has "been there, done that" in starting and managing businesses, it's William Saito. Saito is a truly unique personality, and his remarkable story, An Unprogrammed Life, is the compelling tale of a young entrepreneur. More than just a high-tech autobiography or how-to guide, the book is the extraordinary story of a self-taught genius who became a savvy, serial business success story. Founder of multiple profitable companies, Saito now devotes himself to helping others to do the same. This book chronicles the journey of Saito from a young computer nerd programming stock market trading algorithms for a major broker at the age of ten, to selling three separate companies to Microsoft and becoming one of the world's foremost experts on data security. Saito's story focuses on his two key passions entrepreneurship and data security. An authority in encryption, authentication, and biometric technology, he is determined to fight the never-ending battle to secure personal and corporate information from criminals, terrorists, and rogue nations. The book provides a peek into the author's work with anti-terrorism and anti-crime units and the threats to personal and corporate security posed by ordinary cell phones, office copiers, and laptop PCs. \* The incredible story of a child prodigy who was recognized in 1998 as Ernst & Young's Entrepreneur of the Year \* Addresses Saito's extensive work consulting for clients worldwide, including the U.S. Department of Defense's Counter-terrorism unit, and the U.K., Russian, and Japanese governments \* Includes a foreword from Carl J. Schramm, President & CEO of the Kauffman Foundation The extraordinary story of a child genius and his remarkable entrepreneurial...
