Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE AMBASSADORS OF COMMERCE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Ambassadors of Commerce A mirror which will represent and reflect the strongest link in the chain of commerce, which binds in one common brotherhood this our English nation of shopkeepers. Having had nearly a quarter of a century s experience of the Road and Rail, I lay claim to have some knowledge of so useful and valuable a body of men, some information to impart, some mistaken ideas of them to rectify, and some hints to give for the benefit of both employer and representative. I make no claim to merit of a literary character. I am not writing to make money, for if the sale of these pages should have the good fortune to show a profit, The Commercial Travellers Schools and The Commercial Travellers Benevolent Institution will each of them have a moiety of so happy a result; should it be otherwise, I shall ask no one to share in the loss. My chief object is to place the Traveller in his true position, the one he has a right by merit to occupy in the estimation of the commercial world. In a sentence, to picture him as he is, and not as he is often represented to be. More than this they do not require, less than this they have had in the past accorded them. An honest tale speeds best being plainly told. - Rich. II. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
