Speakers Corner Books. Paperback. Book Condition: new. BRAND NEW, The Blueprint: How the Democrats Won Colorado (and Why Republicans Everywhere Should Care), Rob Witwer, Adam Schrager, Now with an updated epilogue about the 2010 elections. This is the inside story of one of the most stunning reversals of political fortune in American history. Four years ago, the GOP dominated politics at every level in Colorado. Republicans held both Senate seats, five of seven congressional seats, the governor's mansion, the offices of secretary of state and treasurer, and both houses of the state legislature. After the 2008 election, the exact opposite was true: replace the word Republicans with Democrats in the previous sentence, and you have of one the most stunning reversals of political fortune in American history. This is also the story of how it will happen--indeed, is happening--in other states across the country. In Colorado, progressives believe they have found a blueprint for creating permanent Democratic majorities across the nation. With discipline and focus, they have pioneered a legal architecture designed to take advantage of new campaign finance laws and an emerging breed of progressive donors who are willing to commit unprecedented resources to local races. It's simple, brilliant, and very effective. Rob Witwer is a former member of the Colorado House of Representatives and practices law in Denver. Emmy award--winning journalist Adam Schrager covers politics for KUSA-TV, the NBC affiliate in Denver. Schrager and his family live in the Denver area. He is the author of *The Principled Politician: Governor Ralph Carr and the Fight against Japanese Internment*.
