

## Cost Accounting: Theory and Practice

By Bhabatosh Banerjee

PHI Learning, 2009. Softcover. Book Condition: New. 5th or later edition. This well-established and widely adopted textbook, now in its 12th edition, continues to provide an in-depth and insightful analysis of the modern theories and practices of Cost Accounting. That the book has gone into its 12th edition is a testimony of its wide acceptance by the students, academics and professionals. Primarily intended for postgraduate and undergraduate students of Commerce and Management, the book would also immensely benefit students pursuing professional courses offered by the Institute of Chartered Accountants of India (ICAI), Institute of Cost and Works Accountants of India (ICWAI), Institute of Company Secretaries of India (ICSI), and those pursuing the Chartered Financial Analyst (CFA) course. **WHAT'S NEW TO THIS EDITION** Revised, redesigned and updated text to acquaint the readers with the latest developments and changes that have taken place.
