### Reviews

*Most of these publication is the greatest publication offered. It is actually rally intriguing through reading period of time. You can expect to like just how the article writer create this publication. (Eddie Schuppe)*

## SPECIAL NEEDS, SPECIAL HORSES: A GUIDE TO THE BENEFITS OF THERAPEUTIC RIDING

[DOWNLOAD PDF](#)

University of North Texas Press, U.S. Paperback. Book Condition: new. BRAND NEW, Special Needs, Special Horses: A Guide to the Benefits of Therapeutic Riding, Naomi Scott, J. Warren Evans, A growing number of individuals with special needs are discovering the benefits of therapies and activities involving horseback riding. Special Needs, Special Horses, by Naomi Scott, offers information about the amazing results possible with therapeutic riding, or hippotherapy. From recreational riding for individuals with disabilities to the competitions some riders enter (and win), Scott describes the various techniques of the process and its benefits to the physically and mentally challenged. The book explores the roles of the instructors, physical therapists, volunteers, and the horses, and explains carriage driving, vaulting, and educational interactions with horses. Scott profiles individuals involved in the therapy, including clients whose special needs arose from intrauterine stroke, cerebral palsy, transverse myelitis, Parkinson's disease, paralysis, sensory integration dysfunction, multiple sclerosis, shaken baby syndrome, sensory damage, stroke, seizures, infantile spasms, Down syndrome, and autism. Special Needs, Special Horses is an excellent guide for the families of the many who do - or could - enjoy improved lives from therapeutic riding. It will also appeal to practitioners of therapeutic riding as an overview of their profession.
